MEMORANDUM FOR THE RECORD

SUBJECT: "Intelligence Briefings" Materials

1. OCI will be preparing each week, in compliance with the order from the Director, "Intelligence Briefings" materials for General Eisenhower and Governor Stevenson.

2. The "Intelligence Briefings" will be classified "Top Secret". It may contain sanitized COMINT where necessary. In the latter case, that copy to be read by General Eisenhower will be marked in some way as to indicate which of the material included is sanitized COMINT. The copy for Governor Stevenson will be left unmarked. The text of the "Intelligence Briefing" will be printed on "Top Secret Security Information" paper. A prefatory sheet containing the caveat on the Espionage Act will also be printed on that paper. The front cover, which will have no classification indicated, will have printed on it "Intelligence Briefing, Eyes Only, Prepared by the Central Intelligence Agency." The Agency seal will be shown on the cover. The back cover will be entirely plain.

3. A total of 15 copies will be prepared. Of these, five will be published with the front and back covers, the others merely having the prefatory sheet as a cover.

4. The "Intelligence Briefing", although classified "Top Secret", because it may include sanitized COMINT, will be treated as COMINT material.

5. It is suggested that copies be distributed as follows:

a. the copy for General Eisenhower and the copy for Governor Stevenson to be held by Special Registry during working hours and by the Watch Officer during off-duty hours to be picked up by the courier selected to deliver the material.
